Fire at the Light House.

Friday afternoon, the alarm of the fire whistle was sounded and the people began running to ascertain the location of the fire which proved to be on the third floor of the light house. The room which was on fire is the one used by the different Lodges of the city. The blaze was soon extinguished with light damages. The fire is supposed to have started by a spark from the power house.

Contrary to current reports Dr. A. T. Knox is still a Republican candidate for County Judge.

Profits in Broomcorn Growing.

Farmers of central Illinois report selling broomcorn at \$100 a ton, the highest price ever known, and it is predicted the price will go still higher. Central Illinois raised more broomcorn than any other region. Broom corn grows well here, and at such prices as above, it is more profitable than any other crop we can raise.

For Sale.

STATEMENT

Of Fiscal Affairs in Powell County.

County Levy Lowered Ten Cents on the Hundred Dollars by the Court for Next Year.

The Fiscal Court as now organized went into office January first, 1902, the sheriff's settlements for the county revenue for that year and the year 1903, has been completed, for the year 1904, the settlement is but partially completed.

The assessed value of taxable property for the year of 1905, as returned by the Assessor, was seven hundred, twenty-nine thousand six hundred sixty-nine dollars (\$729,669.00), of this sum five hundred and eighty-nine thousand four hundred and ninety-five dollars (\$589,495.00) consisted of the value of land and personal property subject to equalization, the state board of equalization increased this valuation ten per cent (10%) which increased the total assessed value of property for said year fifty-eight thousand nine hundred and forty-nine dollars (\$58,949.00) making the total assessed value of taxable property in the county seven hundred, eighty-eight thousand and six hundred and eighty-eight dollars (\$788,688.00) this does not include the valuation of railroad property nor bank property, which is assessed by the state board of valuation.

The debts of the county have all been paid except its current expenses for the present year, the total amount of claims allowed for the present year are \$5,204.50.

At the last October term, this court fixed a levy for general purposes of fifty cents on the hundred dollars, and for road and bridge purposes, ten cents on the hundred dollars, and a poll tax for general purposes on each legal voter of one dollar and fifty cent, and a poll tax for road and bridge purposes on each road hand of one dollar, with a view of working the roads by taxation, the court, however, has decided it not expedient to work the roads by taxation at present and has therefore, set aside the order fixing a poll tax of one dollar on the road hand. It is, however, collecting ten cents on the hundred dollars for road and bridge purposes, which can only be expended for that purpose, and has fixed the levy for the year 1906 for all purposes at forty cents on the one hundred dollars, and one dollar and fifty cents poll tax.

Emmett Roach, of Jordan, Ky., was murdered by two unknown men as he was unhitching his horse after returning from church.

NOTICE.

The Ladies Christian Aid Society desires to take in little jobs of work, such as plain sewing, quilting, mending, cleaning and pressing suits of clothes and various things too numerous to mention at very reasonable prices. Packages and orders will be taken care of at Mrs. Searcy's.

NEW PARTY

In Clay City; Privately Organized in J. B. Hall's Office Saturday Night.

COMPLETE CITY TICKET NAMED—NO PUBLIC POLICY.

A couple of dozen, more or less, of individuals met at Jim Hall's office last Saturday night, and we are informed put up a ticket for city officers as follows: Mayor, Geo. W. Rice; Police Judge, Shelton Roberts; Councilmen, John Ringo, John Kirk, N. C. Walters, J. B. Eaton, B. M. McPherson and John P. Gaylord. A bunch of good men but what their object is we can't see, nor are they expressing themselves. All are Democrats but two and we learn one of them will not accept the nomination. There was no general call for such a convention and fully half of the voters knew nothing of the meeting until Sunday.

The action of the new party is giving the regular Democratic organization in Clay City but little concern, since the large majority held in their favor will be hard to overcome.

Killing in Estill.

Another killing in Estill county Saturday night at the residence of John Lunsford on Doe creek, near Irvine. Irvine and William Manus, brothers, were at Lunsford's when George Lunsford, son of John Lunsford, came in and without provocation, drew a pistol and fired either at his father or the clock as the ball shattered the clock. Without warning, he turned and fired at Irvine Manus, mortally wounding him. When William Manus asked Lunsford not to shoot his brother again, he turned and shot William who died Monday morning. The other brother is not expected to live. Lunsford was drunk. He was arrested and is now in jail at Irvine.

Register Saturday—last chance

Bad Marksmanship.

The CLAY CITY TIMES thinks that "Clay City is decidedly the most civil and orderly town in Eastern Kentucky" and furnishes as proof the statement that advertising signs near Clay City, that have been up for six years, have not been destroyed by being used as targets for practice by the "pistol toters." The question then surely resolves itself into one of good order or bad marksmanship.—Morehead Mountaineer.

In the Asylum.

Bob McKinney, of Frankfort, but formerly of Hardwick's Creek, we are very sorry to state, has become of unsound mind and a few days ago was placed in the asylum at Lexington. Mr. McKinney was a successful merchant in the capital city. He has been in failing health for some time, and it is thought that the overwork attendant to his business cares wrecked his mind as well as body.

A general rain fell the greater part of Tuesday, which was followed by a drop of temperature until last night when a medium frost fell. To what extent the damage of the frost will reach is yet to be determined.

Come out Saturday and register if you have not already done so.

Summer is leaving us, but autumn has its charms, winter its fun and frolic, and gentle spring, with its bursting buds and sweet flowers will come again in good time. Spareribs and sausages will soon appear on the breakfast table, and the incentive to be thankful that every season brings some inducement to live.

Democratic Convention.

The Democrats of Clay City are hereby called to meet at the City Court Room Saturday, Oct. 14 at 7:30 p. m. in mass convention to nominate candidates for the various city offices to be voted for at the coming November election. All Democrats in the city are requested to come out.

SPOUT SPRING.

Dave White was quite sick last week with diphtheria.

George Williams, of Irvine, was here one day last week on business.

Elder Geo. W. McIntosh filled the stand at the Baptist church Saturday and Sunday.

Mr. and Mrs. Henry Tuttle, of Ex, visited relatives here the latter part of the week.

Shelt McKinney visited his sister, Mrs. Esa McKinney, in Clark county two days of last week.

Dr. C. H. Williams attended the funeral of his brother, N. K. Williams, at Catlettsburg last week.

School is still closed here on account of diphtheria but will be reopened in the course of a few days.

Farmers are very busy people in this section and will continue to be so until after their corn is cribbed.

Quarterly meeting will be held at Jackson's Chapel Saturday and Sunday by Presiding Elder E. G. B. Mann, of Lexington.

The Boone's Creek Association, to which the Baptist church at this place belongs, will hold a Sunday School Convention with the church at Union, Madison county, Saturday and Sunday, Oct. 28 and 29.

Dr. N. K. Williams, died at his home in Catlettsburg last Monday, Oct. 2, of brights disease, aged fifty-six years. He leaves a wife, three daughter and two sons. He is a brother to Dr. C. H. Williams, of this place.

After several day's visit to his father, Berry Barnett, and other relatives in the county, Clint Barnett left Saturday morning for McLean county, Illinois, where he has been employed for the past several months.

A. C. Barnes, of Panola, was here Monday the guest of his sister, Mrs. Berry Barnett. Mr. Barnes has recently sold his farm near Panola and will buy somewhere near here if he can be suited. We give him a hearty welcome.

Floyd C. the twelve-months-old son of Mr. and Mrs. Herbert Heflin died at their home on Howard's creek, Clark county, Friday, Sept. 20. Burial in the Winchester cemetery. Mrs. Heflin, mother of the child, was formerly Miss Alice McKinney of this place.

Mrs. Texa McKinney, formerly of this place, is very sick with typhoid fever at her home near Ruckerville, Clark county. Mrs. James F. McKinney, her mother, and her sister, Miss Nora Todd, of this place, are at her bedside. A telephone message this—Wednesday—morning states that Mrs. McKinney is some better.

It was decided at the church meeting at the Baptist church Saturday to repair the house. The action, however, will be given further hearing at the next regular meeting—in November. The house needs new sills and the roof is badly needing paint. Other repairs are also evident. As many of the members as can are requested to be present at the Saturday meeting in November.

An Important Question.

The voters will be called upon in November to say whether they prefer the secret ballot or a return to the old way of open voting. We prefer the old way for several reasons. The principal one is that a man's vote is recorded and kept open for inspection. If this was the case now we would hear much less talk of bolting, independent tickets, etc. Besides, there are a great many voters who prefer to vote with the dominant party, which here is the Democratic party. Many of these are now voting the Republican ticket while claiming to be Democrats, and with an open ballot they would vote for Democrats. In the primary elections, ever man with a ghost of a chance receives so much encouragement that he is sanguine of success when, with an open ballot, he would soon see that he has no chance, and would save time and money by getting out of the race. The secret ballot encourages deception and when charges are made that elections have been manipulated, there is difficulty in proving or disproving the charges. For instance all the dissatisfaction in our city primary that has led to the Independent movement would have no existence under the open ballot. Many features of the present law should be retained; the closing of saloons on election days; the keeping all persons away from polls and other desirable features might be retained.—Winchester Democrat.

Special registration Saturday, only. Remember if you don't register Saturday you can't vote in November.

The Democratic convention which meets Saturday night will be no secret meeting, it will be open for all, and every person in Clay City is invited to come out and hear the proceedings which will be open and free for all Democrats to participate in. It is a mass meeting which has been announced long enough for every person in the town to know that it is going to be held. A strong ticket will be named, and one that will win by a handsome majority.

Democrats, if a Democrat has done something you think he should not have done; if he has condoned something you think he should not have condoned, or if you have a personal grievance, the time to fight him is at the primary or convention, not at the regular election. Be man or a mouse, and this is the manly way.—Bourbon Newe.

Come out to the Democratic convention Saturday night. It is the people's chance to name the

next city officers. Come out every Democrat in Clay City, there will be here no bossism or gang rule. The mass of the party will name the ticket and then elect it.

Senator Warner of Missouri, has written a letter asking that the movement booming him for the Republican Presidential nomination be abandoned. He probably realizes the hopelessness of his boom as he is himself a poor man and does not know any life insurance presidents.

Register Saturday—your last chance.

Secretary Shaw says the country is in need of a more elastic currency. He is right. One that will stretch over the rent and grocery bills and leave a little margin for the savings bank, is the kind of currency the country wants.

This fight over the race question in Maryland is becoming very bitter. A young man at Fruitland, has sued his wife for divorce just because she ran away with a negro.

Come out Saturday and register if you have not already done so.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

No One But Yourself if You Don't Get Well When Sick.

All we can do is give advice. Of course that's easy. But our advice is really worth a little more to you than most people's, for we offer to give you the first bottle of our medicine free, if it fails to help you.

We could not afford to do this unless our medicine was good. Such an offer, on the wrong kind of medicine, would put a merchant prince in the poor house. Dr. Miles' Nervine, however, as years of experience have proved, is a medicine that cures the sick.

Those whom it cannot benefit—less than one in ten thousand—we prefer to refund their money.

All we ask of you is to try Dr. Miles' Restorative Nervine for your complaint. If you suffer from sleeplessness, nervous exhaustion, dizziness, headache, muscular twitchings, melancholy, loss of memory, weak stomach, poor blood, bilious troubles, epilepsy, "St. Vitus' Dance," etc., we will guarantee to benefit you or refund your money.

You are the doctor.

"My son Bert, when in his 17th year, became subject to attacks of epilepsy, so serious that we were compelled to take him out of school. After several physicians had failed to relieve him, we gave Dr. Miles' Nervine a trial. Ten months treatment with Nervine and Liver Pills restored our boy to perfect health."—MR. JOHN S. BEAUTIFY YOUR HOME WITH KINLOCH PAINT

Important Memorandum—The painter of this house expresses thanks to Kinloch Paint Co. for the gift of a gallon of Kinloch Paint. He says it is the best paint he has ever used. The color is perfect and it is the only paint that will stand the test of time. The "put-you-on" of the good painter's job is in the paint. Buy only Kinloch Paint.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint—buy only Kinloch Paint.

There's one indisputable reason why a reason every honest painter will acknowledge: "The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend it for every good reason we know.

New Cure For Cancer.
All surface cancers are now known to be curable, by Bucklen's Arnica Salve. Jas. Walters, of Duffield, Va., writes: "I had a cancer on my lip for years, that seemed incurable, till Bucklen's Arnica Salve healed it, and now it is perfectly well." Guaranteed cure for cuts and burns. 25c at Swann-Day Lumber Co's store.

Qualities of the Country Weekly.
A well-known writer in a leading national journal sums up the qualities of the country weekly paper as follows: "Each copy is read not only by the people usually credited to the ordinary paper, but twice or thrice that number. In many instances subscribers pass their papers on and on to inmates of less fortunate homes. These publications are pre-eminently the home papers of newspaperdom. They are not superficially scanned while men travel to business, then left to brakemen to gather up. They go directly into homes and the reading of them is a duty as well as a pleasure. Hence their peculiar value as moulders of public opinion."

There is nothing more provoking than an incorrect time piece. If you have a watch or clock of this kind take it to Webb, Clay City's Jeweler and silver smith, and let him fix it. All work guaranteed.

The Way to Break up the Paper.
A man in South Haven Kansas has a grievance against an editor and consulted a lawyer to find out the best way to break up the paper. The lawyer told him the surest way would be to buy the paper and run it himself for a few months.

Among the facts brought out by the Legislative Insurance Investigating Committee in New York Tuesday were the contribution by the Mutual Life Insurance Company of \$40,000 00 to the Republican National Committee last fall; \$35,000 00 in 1900, and \$15,000 00 in 1896, while it was also developed that the company paid \$72,000 00 last year for lubeons for employees.

THE GREAT FAMILY MEDICINE

Theford's Black-Draught comes nearer regulating the entire system and keeping the body in health than any other medicine made. It is always ready in any emergency to treat ailments that are frequent in any family, such as indigestion, biliousness, colds, diarrhoea, and stomach aches.

Theford's Black-Draught is the standard, never-failing remedy for stomach, bowel, liver and kidney troubles. It is a cure for the domestic ills which so frequently summon the doctor. It is as good for children as it is for grown persons. A dose of this medicine every day will soon cure the most obstinate case of dyspepsia or constipation, and when taken as directed brings quick relief.

DANVILLE, ILL., Dec. 23, 1902.

Theford's Black-Draught has been our family doctor for five years and we want no other. When any of us feel badly we take a dose and are all right in twelve hours. We have spent lots of money for doctor bills, but got along just as well with Black-Draught. IRA H. MADILL.

Ask your dealer for a package of Theford's Black-Draught and if he does not keep it send 25c. to The Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed to you.

THEFORD'S BLACK DRAUGHT

**Small Store
Small Expense
Small Profits**

OUR drug store is small but we carry a full stock of goods that meets every demand of our customers. It is of a quality that you do not find often in even the larger drug stores. Buyers here are absolutely sure that they are getting positively the best the market affords in every line of drug store goods. Because of our small store and small expense we are successful in competing with the big fellows who have big rents and big wages to pay. Our prices are so low and the merit of our goods so great that it will pay you to go out of your way to come here.

The following is one of our offers:

**Constipated?
Here Is a Free Cure.**

You have tried pills. You know by your own experience that a physic won't cure. Let experience show you what will cure. Constipation is the rotting of undigested food in the alimentary tube. This festering, rotting mass makes bad blood, which makes bad health. Constipation causes most sickness. It probably causes your suffering.

Mull's Grape Tonic cures. It is not a physic or like anything else you have ever used. It is a tonic containing special properties of the grape which strengthens the digestive organs and enables them to do their work unaided and properly. No griping. If it fails, your money will be returned.

We know that Mull's Grape Tonic will cure you and, therefore, will give you a large sample bottle of the great remedy, if you have never taken it. We only ask that you use the contents of the first bottle as directed. You don't obligate yourself to buy any of the remedy.

FREE COUPON

If You **ARE A Democrat**

Or if You are not You will want to read

Bryan's Commoner.

ON MARCH 17, The Commoner announced the Primary Pledge organization plan. This plan provides for Democrats to sign a pledge, binding themselves to attend all primaries of their party between now and the national campaign of 1908. It is a practical method for the organization of the party by the rank and file, in order that it may prove true to its name and be the efficient servant of the people in the establishment of reform. A little investigation will convince you that the Commoner has hit upon a feasible and effective method of persuading Democrats to participate in the councils of their party.

These pledges are pouring into the Commoner office by the thousands, where they are carefully filed by state, county and voting precinct.

If the same interest manifested in this work during the past four months is maintained during the next two years, the total membership will exceed four million Democratic voters.

The Commoner is issued weekly, subscription \$1 a year. By special arrangements, for a short time only, we offer the Clay City Times and The Commoner one year both for \$1 10.
